Is your complaint about us or one of our Partners (or both)?

Diversa Trustees Limited (Diversa) is the trustee of the Raiz Invest Super Fund and works with different partners that help run Raiz Invest Super. This means that when you make a complaint about Raiz Invest Super, it may relate to a product or service provided by one of our partners or to products or services provided by both us and our partners.

Our partners assist in providing services to you in a number of ways. They may operate call centres to assist us in responding to your queries, manage websites providing you with information about our products or provide claims management services to help us pay benefits. For more information about how our partners assist us with Raiz Invest Super please refer to the [Raiz Invest Super](#) .

If your complaint relates to a product or service wholly provided by one of our partners, their complaints policy will apply to the complaint and not Diversa's policy. However, if you are a member

or beneficiary of Raiz Invest Super, we will still work with the relevant partner to ensure your complaint is managed appropriately.

If your complaint relates to products or services that both we and our partners provide then Diversa's policy will apply and we will work with the relevant service provider to ensure all of the issues you have raised in your complaint are managed appropriately.
